

## #20017 – Super Seam Buster

- Attaches to any air hammer
- Faster and more efficient than regular SeamBuster
- For separating quarter panels, rockers, other pinchwelds and bonded door skins
- Sharpened on two edges for easy penetration and separation of pinchweld
- Made of super tough alloy steel with cushioned handle

**\$41.95<sup>ea</sup>**

Mfg. Sugg. \$49.95

## Fender Fixer

## #20055 – Fender Fixer

Collision force to one front fender often travels through the hood to push out the top of the opposite fender. The Fender Fixer rolls the fender top back into shape in just minutes.

**\$48.25<sup>ea</sup>**

Mfg. Sugg. \$57.44
